

Sales & Marketing Assistant

Alpha Converting designs and manufactures a wide range of winding equipment for the converting industry. Our machines are varied, high quality, often automated and exported worldwide. The Company is constantly innovating and is an exciting place to work providing many technical challenges. There is considerable job satisfaction every time we complete a machine successfully and it is delivered to our customer. Due to our growth we are moving to a larger factory in Edison Road Bedford at the end of 2016.

This is a new position, working alongside the Sales Manager, to promote our sales in UK and International markets.

You should be a clear thinker and able to show considerable initiative in looking for and developing opportunities. You should have an interest in machinery and the ability to understand and explain how it works across a range of applications.

Initially you will be office based. There will be opportunities to manage the sales of some of our smaller equipment and we would hope that you would be interested in developing a career in International Sales.

Considerable opportunities exist according to ability. If you have good leadership skills there are opportunities to take a strategic role in the management of the Company in the medium term.

Some travel is required, and you must be free to travel within Europe & USA without requiring a visa.

We are a flexible efficient and quality orientated company and expect any applicants to have the same attitude and to be committed to the success of the company.

Salary range £25,000 to £35,000
